

Community project workshop

AFTER — Structured editable document

This fictional workshop introduces participants to planning a small community project. Each participant will leave with a one-page action plan and an assigned next step.

Session details

Date: 18 November 2026
Time: 10:00–11:30
Format: Online
Participants: 12

Preparation

Bring one project idea, a notebook and the name of a person you could invite to help. No previous project management experience is required.

Workshop agenda

Start	Activity	Duration
10:00	Welcome and project ideas	15 min
10:15	Define a practical outcome	20 min
10:35	Build the action plan	35 min
11:10	Review and next steps	20 min

After the session

Send your action plan to the workshop coordinator within two working days. The coordinator will check that each action has an owner and a date.
